## **Directions**

Casa Vallate is located in Castelveccana, 7 km. to the south of Luino and 6 km. to the north of Laveno. On the main road (SP69) that runs lakeside between Luino and Laveno you will reach Castelveccana and turn into Via Campagnetta.

Drive uphill for about 30 meters. On the top take a sharp turn right into Via Garibaldi.

Once you've reached a small chapel on your right, turn left into Via Zampori (the street will be 2 meters wide for the first 20 meters).

After about 100 meters you will reach a green gate on your left with the signboard "Casa Vallate". Station your car there and give me a call. I'll come to open the gate for you.

With a short call or an SMS (0039 338 7876106) please notify me your approximate time of arrival so that I can ensure I will be home when you arrive.

Have a safe trip!
